

In order to support our growth and further strengthen our sales dynamic, which will focus in particular on the deployment of new offerings, we are looking for a **Cloud expert consultant** to join our Paris-based **Cloud Security Center of Excellence team** as soon as possible.

Your responsibilities

As a consultant within the framework of your missions, your scope of intervention will be as follows:

- Develop a strategy to strengthen cloud security (AWS, Azure, GCP);
- Define relevant cloud security control rules (AWS, Azure, GCP);
- Implement automated resource deployment and security controls;

- Prepare documentation related to the tasks performed;

As part of the development of the CSCoE offering and community :

- Evolve our sales kit according to the missions carried out and the developments mentioned above;
- Monitor Cloud security and participate in the firm's communications operations (articles, events, etc.).

Your profile

Graduate (Bac+5) from an engineering school or a M2 in IT and networks, with a specialization in information systems security and **more than 6 years' experience** in your field of expertise. Your qualities and skills :

Technical skills and knowledge

- Experience and in-depth knowledge of cloud services and architectures (IaaS, PaaS, SaaS) and major providers like AWS, Google Cloud, and Azure.
- Operational safety skills, as part of the integration of safety into CI/CD pipelines.
- Familiarity with standards and regulations (such as HIPAA, SOC 2, SecNumCloud)

- Ability to analyze complex safety issues and propose effective solutions.
- Ability to communicate clearly and effectively to a diverse audience.
- Project management skills
- Ability to work effectively in multidisciplinary teams.

Interpersonal and professional skills

+

Workplace: Issy Les Moulineaux
Remuneration: according to profile
Telecommuting: 2 days/week
A friendly, caring atmosphere

In a nutshell...

Formind, the French independent leader in cybersecurity with almost 300 consultants, has enjoyed sustained growth since its creation in 2010. PASSI-qualified, Formind supports its customers in all cybersecurity issues with a risk-based approach, strong pragmatism and committed values. Based in Paris, Formind has expanded to several cities in France, Morocco, Spain, Canada and Taiwan. Formind is also proud to be recognized as Happy@Work for the 7th consecutive year.
