

In order to support our growth and our strong consulting dynamic, we are looking for a Cyber compliance consultant to join our Paris team as soon as possible

Your responsibilities

- Conduct compliance audits (e.g. ISO 27K, DORA, NIS, HDS, etc.)
- Define and deploy compliance programs
- Supporting teams in the application of safety measures
- as defined in the SSI documentation
- ISS support: Transition CISO / CISO assistance, Project management
- safety/mission management, safety awareness/training
- cybersecurity compliance issues
- Contribution to pre-sales, to the development of our
- in-house offers and training

Your profile

Reporting to our GRC BU, you will provide our customers with your expertise and contribute to the firm's development and reputation.

- You have a 5-year higher education diploma from an engineering school or an M2 in computing and networks, with a specialization in IT security.

information systems

- You have over 3 years' experience in cybersecurity/GRC

- Over the past 2 years, you have carried out audits and led projects to ensure compliance with cybersecurity standards (ISO 27001, NIS, DORA, PCI-DSS, HDS, etc.).

- You have the ability to provide pragmatic solutions to technical and functional cybersecurity issues.

- You are at ease in English: writing deliverables and chairing meetings

Recruitment process

In 3 steps

- Interview #1 with one of our HR specialists
- Interview #2 with a Manager
- Interview #3 with a Director

+

Workplace: Issy Les Moulineaux
